HUN DIVER MURDERS 118 AMERICANS ON CONVOY

Clemenceau Says Victory In Sight—West Front Crumbling—Turks Breaking With Germany—Bavaria May Quit

60,000 HUNS AND 100 GUNS IN WEEK

LONDON, Oct. 3.—In the week ending today the allies have captured 60,000 men and 100 guns on the western front.

U. S. SHIP TAMPA DIVERED BY HUNS

WASHINGTON, Oct. 3.—The U. S. S. Tampa, a former coast guard cutter in naval service, was lost off the English coast September 26 with all on board, while on convoy duty. Ten officers and 102 enlisted men of the crew, one British officer and five civilian employes lost their lives.

A Navy Department statement today announcing the disaster says the ship was sunk at night in the Bristol Channel and that she was struck by a torpedo while escorting a convoy.

Captain C. Satterlee of the coast guard commanded the cutter. Apparently there were no eye witnesses to the sinking. The navy's report says an explosion was felt after the Tampa had gone well ahead of the convoy about 8:45 p. m., and that later quantities of wreckage, one of the Tampa's life boats and four bodies of two unidentified officers in uniform were found.

HUNS ACKNOWLEDGE THE GAME IS OFF

PARIS, Oct. 3.—The German situation on the western front is grave, the Frankfort Zeitung admits, adding that the German front is gradually crumbling.

"The allied plan of attack," it adds, "is being carried out in an extraordinary manner. It is an awful strain on our front. The situation on the Meuse, where the American attacks are just beginning, is extremely critical. Part of the Chemin des Dames has had to be given up and the whole German front is gradually crumbling away under the allied attacks."

The evacuation of Belgium is being discussed openly in Berlin, according to advices reaching here.

Concerning Alsace-Lorraine, the German high command makes the suggestion that it be neutralized and joined to Luxemburg, thus making a buffer state between France and Germany.

TURKEY IS OUT OF THE FIGHTING

LONDON, Oct. 3.—There was a strong report current on the stock market this afternoon that Turkey has surrendered unconditionally to the allies.

As the foreign office it was stated that there was no confirmation of the rumor.

LONDON, Oct. 3.—Turkey has notified Germany of her intention to make peace, according to a Zurich dispatch to the Daily News today. Germany's reply, which was described as 'long, menacing and pleading,' promised Turkey that Bulgarian soil would be occupied by Germans.

Ever since Bulgaria collapsed the reports that Turkey would drop out have become stronger and more circumstantial. Turkey is in a critical state and has been for some time.

COAL MINING TOWN TAKEN BY ALLIES

BERLIN, Oct. 3.—Lens was evacuated by the Germans Tuesday night, the war office announced today. Armentieres was evacuated the same evening.

Lens is the chief coal mining city of northern France.

AUSTRIA AND BARVARIA ARE BOTH TREMBLING

Paris, Oct. 6.—The German censor at Berlin permits the German press to print articles dwelling on the probable situation of Germany in the case that Austria should be forced to lay down her arms under pressure, according to advices reaching Paris. It is declared that if Austria-Hungary should give in, Bavaria might follow her example.

BOLSHEVIKI AS BAD AS ARE THE HUNS

STOCKHOLM, Oct. 3.—War Minister Trotzky, according to the Social Revolutionists newspaper Narodne Dielo of Petrograd, has issued an order that all the women of Kazan be delivered into the hands of the Red Guards.

UPRISING IN ALSACE IS DAILY EXPECTED

GENEVA, Oct. 3.—German military authorities have begun to remove the inhabitants of Alsace, according to the Democrate, in expectation of Franco-America attack on the frontier.

The inhabitants of twenty villages, including Ferrette, Gentaven and Winkel, already have been sent to Bavaria. Some of the villagers have escaped across the Swiss frontier.

Fear of disorder is rampant throughout Alsace-Lorraine. Food is scarce and little fuel is aviable.

The German authorities in Alsace-Lorraine, the Democrate adds, are afraid of a general uprising in those provinces when the allies cross the frontier.

ITALIANS DRIVE AGAINST AUSTRIA

WASHINGTON, Oct. 3.—The Italian army in Albania has launched an offensive against the Austrians there, cables to the Italian embassy stated today.

The purpose of the offensive is to demoralize and destroy the Austrian armies in Albania with a view to facilitating the expected surrender of Turkey, the cable explained.

GERMANS GUILTY OF EVERY CRIME SAYS CAPT. POWELL

"Whenever one of your returned soldiers tell you of German atrocities, no matter how gruesome or heinous, believe him, for they are guilty of every crime in the category. I saw a crucified comrade, nailed by the hands to a door, an act of the bloody Prussians, and I also saw the charred bodies of other British soldiers who had been wounded and lodged in a barn as a temporary hospital, which the Huns found and fired. This is only one of their methods of killing our wounded," said Capt. Templar Powell of the British army at Oakland yesterday.

W. S. POAGE PROMOTED ASST. CASHIER OF BANK

Willard Poage, for several years a clerk in the Mechanics Bank, was yesterday promoted to the position of Assistant Cashier of that institution, to succeed George Lee, who leaves Monday morning to join the overseas business department of the Y. M. C. A.

Inasmuch as Willard is a son-in-law of the editor of the News, this paper may be excused for taking a personable pride in this promotion and the rise of the young man to a position of trust and responsibility in one of Richmond's largest financial institutions. It is merited however, or it would not have been awarded. He is a young man of exceptional ability, integrity and manhood. Mr. and Mrs. A. H. Poage, and a host of friends throughout the city also rejoiced.

LABOR TO HELP THE BELGIAN BABIES

Effort To Boost Richmond's Donation From $100 To $500 per Month

As the News called attention to a few weeks ago, other towns in this section of the state the size of Richmond, and some of them smaller, have been contributing to the Belgian Relief fund sums monthly approximating a thousand dollars, while Richmond was appearing in the published lists as giving from $70 to $100. This was because the effort here was not well organized, so Mrs. Wm. Boone and her lady assistants got real busy and appointed a number of committees to work along their several lines, in an effort to make a better showing for Richmond in this most worthy cause.

These committees now comprise some of our wide-awake men and women, and the outlook is good for something worth while being accomplished from now on.

Among the committees is one to work among the workingmen, consisting of Frank Lane, Charles Washburn, Jack Thornton and F. J. Halanicki, and this committee is going to give the ladies a good account of itself, or bust a-rivin'. Washburn and Thornton are now making some boxes with slots and locks, to be placed in the Labor Temple halls, and the editor of the News went up last night and bearded the Building Trades Council lion in its den. Did they throw us out? Naw! Should say not! Say, those boys have got hearts in 'em as big as bales of hay, just as we knew all the time, and when we got to telling about the starving babies and suffering mothers over there, and the horrors they had been through because of Hun atrocities, and how if we didn't all chip in and help many thousands more of them were going to die this winter, those big huskies moved around, and camouflaged about blowing their noses, and all that sort of thing, as though they had Spanish Influenza or something. And so we asked them to cut out just two or three cigars a month, and chip in a two-bit piece into those boxes apiece each alternative payday, and they grinned like little boys grown up. It was so easy—they were expecting us to hit 'em for a dollar instead of two-bits. You see, it only takes 400 of the boys doing that to make up $100 a month, and we sure expect that to be the minimum.

An effort will be made to raise at least $500 a month regularly for the winter, and for the period of the war, and it will be done.

Yesterday Mrs. Boone sent away $147 as the monthly income here. That is not much, but it is better than it has been. Of this $53 was made from sale of old clothing as rags, which was not good enough to ship, and $22 from the penny bottles, several of which some dirty Hun hound tried to steal. Mrs. Myrtle Chapman took some bottles to El Cerrito, and in three days brought in $11.15.

Watch the fund grow! For October let's make it $500!

RICHMOND TO GET A SHIP AND BE ON HONOR LIST

Everyboby Buy A Bond, So Our City Can Qualify As One Of Five Of 10,000 Or Over To Oversubscribe.

The News made a loud howl a few days ago about Richmond not appearing in the list of towns eligible to the award of getting on the Big Honor List and having the privilege of naming vessels and tanks, although towns of much less population were named. Mr. Chas. G. Crary got the same idea about the same time, and as he is built on the News plan about thinking and acting at the same time, and doing it p. d. q., he hiked right over to San Francisco yesterday and also made a loud roar, with the federal powers that be. That big noise we all heard yesterday afternoon was not the Pinole powder works blowing up, as many supposed—that was Crary making his roar.

It seems that the towns named as eligible were judged by the last federal census, and as that was taken ten years ago, and Richmond at that time was not bigger than a pint of cider half drank up, of course it was not in it. So Crary produced the data and figures, and facts, and all that, and showed where Richmond was now bigger than all outdoors and the biggest town of its size on earth, with the result that the authorities promised to put Richmond in the list of 10,000 or over population to qualify, providing it was among those to go furtherest over the quota.

So it's a cinch that Richmond will qualify, as it has already gone over its quota, in four days' time, and is not anywhere near through buying bonds yet. Richmond will get a battleship to name, and the News moves right now that it be christened "RICHMOND!"

In accordance with this, and to give everybody a chance to get in on the Honor List, the committee has decided that the bond drive shall continue until everybody has ben interviewed and given the opportunity to get in.

The total subscriptions to date given to the Mobilized Women amounts to $22,350.

Port Costa Hun Is Now Interned

Walter Peters, a German alien arrested at Crockett some time ago, has been interned for the duration of the war at Fort Douglas, Utah.

Peters was working as a rigger on ships at the sugar docks, when Under Sheriff W. M. Veale and Deputy H. L. Brady arrested him. A search of his room and belongings revealed documents and evidence that he had been a member of the crew of the German sea raider Leipsic in South American waters. He was held under suspicion and turned over to the Federal authorities.

Both institutions have been closed while their affairs have been under investigation by the Federal authorities. A report of the result of the probe resulted in Preston swearing to complaints against the three men.

Richmond Theater Storts 'More Trouble'

There is a certain freshness or novelty to the theme of "More Trouble" the patne photo-play in which Frank Keenan is starring at the Richmond Theater which makes it amusing every foot of the way, and reveals Keenan in a humorous role quite different from the serious character parts with which he has been identified in the past. "More Trouble" contains so much clean, swift moving fun that Mr. Rothapfel hardly needed to add the Katzenjammer Kids in "Swat the Fly" to his program, absurdly laughable though their cartoon antics may be.

Initiative Amendment No. 21 proposes to admit dentists from any other State without examination.

35 out of 42 of Our Boys, this year's graduates in dentistry of the University of California, have entered the Army and Navy. When these boys come back, if they do come back—from the fight for freedom — they would have to compete with derelicts and incompetents let in without examination. Why favor the incompetent or derelict slacker?

BIG STORE CELEBRATES THIRD ANNIVERSARY

Just three years ago there was opened in Richmond a new business establishment. Since then it has developed so fast that now Richmond is proud to boast of a modern up-to-date department store, located in the business center of the city under the proper name of The Big Store.

This month the Big Store is celebrating its third anniversary.

The preparatins for the celebration have been most elaborate. There are many special features. First, of course, comes the beautiful decorations of the store, which has been turned into a veritable fairyland, with beautiful flags and ornaments everywhere.

In order to share its success with its patrons, the Big Store is giving away with each purchase during the celebration tickets good for a free chance to win one of fifteen valuable prizes. The first prize is a $100.00 Liberty bond; second prize, a $50.00 Liberty bond; third prize, $20.00 in cash and there are twelve others.

Another feature is a series of free shows to be given for the children at the Richmond Theater beginning with next Saturday at 11:00 a. m. and continuing each Saturday this month. Tickets may be obtained free of charge at the Big Store today and tomorrow. No purchase of any kind is necessary. The only condition is that grown-ups must ask for the tickets.

The third feature of the celebration is a great reduction in the prices of many articles for sale at The Big Store. These articles have been placed on the center tables of the store and the prices reduced so that the last figure will be "3" to correspond with the 3rd anniversary.

Readers of this newspaper are urged to visit The Big Store during the celebration and see what a progressive management can do with a store in a short time.
